TO WHOMSOEVER IT MAY CONCERN,

This is to certify that Utkarsh Verma has done his internship as Junior Embedded Systems Engineer at Dextroware Devices Private Limited, Chennai, from 04/12/2020 to 04/03/2021.

He has worked on a project titled Hands-free input mouse. As part of the project, he has developed a prototype and completed R&D for the next stage of work.

During his internship he has demonstrated his skills with self-motivation to learn new skills. His performance exceeded our expectations, and he was able to complete the project on time.

We wish him all the best for his upcoming career.

Best,

Pravin Kumar
CEO
